The Family of the late Manuel Lacson y Obsanga (1917-1995), a cadet branch of the famous Lacson Family, has to announce with deepest sadness the death of their beloved maternal "Tia",

Fortunata Pamoceno y Arada

(February 23 1923 - September 12, 2021)
younger sister of their former matriarch Aurora Pamoceno vda. de Lacson (1921-2006), last Sunday.

Through their mother Nicolasa the clan matriarch and her late sister were granddaughters of Guillermo Arada, a native who held the title of a Cabeza de Barangay in his hometown in the Iloilo Province during the Spanish colonial period, and of Luncia Matutino.

As her father Paulino Pamoceno y Benedicto (1890-1975), a Filipino sergeant of Spanish descent and with strong principles, married secondly Diosdada Bayadog, she left therefore a younger half sister.

Furthermore she was survived by a daughter and several descendants.

Her remains currently lie in state at St. Peter and interment will be 9am Friday, Sept. 17, 2021 at the Bacolod Memorial Park.
